MINORS

Students of the FDET Degrees have the possibility to undertake a Minor in a specific field in order to expand their skills and capacities, leading to greater employability in the professional world. Students can choose between three Minors: Gender and Law, Entrepreneurship and European Law.

THE MASTER'S DEGREE IN THE CRIMINAL JUSTICE SYSTEM (Interuniversity) is addressed at graduates from Law, Criminology, Psychology, Sociology, Political Science and other areas of the Social Sciences related to criminality. It is the only Master's degree in Spain that provides an integral and specialized training in the different disciplines that make up the criminal justice system: substantive criminal law, the criminal process, criminology and victimology.
